

Jubilant One Launch™

One Purpose. One Team.

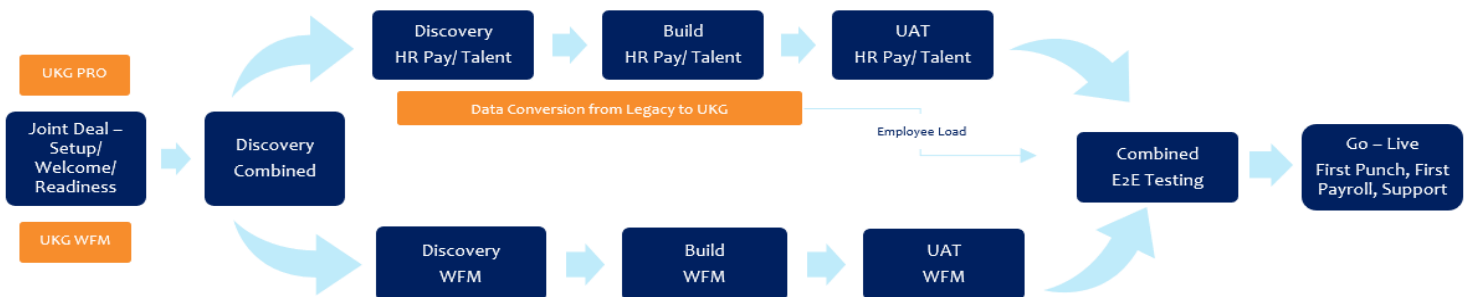

Rooted in the philosophy of "Humanizing the World of Work," *Jubilant One Launch™* goes beyond conventional implementation methods to deliver a transformative experience that aligns with your organization's specific requirements, vision, values, and goals. "One Project Team, One Project Manager, One Methodology, Jubilant One Launch™"

Executive Vision, Goals, and Decisions - Pioneering Success Early

Empower your journey with strategic decisions. *Jubilant One Launch™* allows you to define your vision, set goals, and infuse executive strategy to enable cascading design decisions pre-kickoff, setting the stage for aligned implementation.

The Jubilant Experience - Elevating Every Step

- **White Glove - Guiding Your Path**
Experience transparency, collaboration, and best practice guidance with our award-winning White Glove approach.
- **Communication at All Levels - Empowering Your Voice**
Jubilant One Launch maintains open channels at all project team levels, enabling you to share insights and expectations as we work toward collective success.
- **Single Program Plan - Efficient Decisions**
Bid farewell to endless meetings. Jubilant ONE *Launch™* combines the Requirement phase and Discovery phase to streamline work sessions.
- **JUBScrub – Automating Data Integrity**
JUBScrub, Jubilant's proprietary data conversion tool, preserves data integrity, minimizes disruptions, and saves your product team days' worth of data cleansing.
- **Combined End to End Testing - Immaculate Functionality**
Driven by Jubilant's goal for your success, we have developed a comprehensive sprint-based agile testing process which ensures the entire UKG Suite operates seamlessly.

"You've Chosen the Finest Software. Experience the Finest Implementation Partner."

Your investment in top-tier software deserves an implementation experience that matches its quality and flexibility. *Jubilant One Launch™* transforms implementation into a journey of Success - ensuring your path is smooth, your goals are achieved, and your organization derives valuable People data insight on day 1!

Embark on the journey of redefining work with *Jubilant One Launch™*.

Witness the future of UKG full Suite deployment. Witness success. Elevate your Journey. Choose Jubilant ONE *Launch™*
